

Sir Veja

PEACE, LOVE AND SHAKE YOUR ASS! is the **Sir Veja`s** hell boys motto.

Since 1995 the guys have been pumping their **MonsterGaloppingSkaCore** into their listeners` souls and slippers. The mixture of Ska and powerful Melodic Punkrock puts everyone into a good mood and guarantees a dancing and sweating mob.

Inspired by bands like NOFX, Sublime, Operation Ivy, Millencolin, The Offspring etc. the founding members Andi, Flo and Jupp decided to finally introduce really good Skapunk to Lower Bavaria, which was rare in the Bavarian Forest in the early nineties.

In the following years **Sir Veja** performed countless gigs in clubs and at festivals, frequently as headliner, but also supporting bands like Boysetsfire, Seeed, Mad Sin, Bambix, Normahl, Rantanplan or Jaya The Cat and many more.

Sir Veja is home to six suspects:

Andreas Albrecht (vocals, guitar), Florian Saller (guitar, back.vocals), Markus Ballhuber (bass, back.vocals), Jupp Philipp (drums), Robert Duschner (sax), Adrian Paul (trumpet).

Sir Veja is 11.46 meters tall and 4.21 meters wide and therefore one of the biggest punkbands in Central Europe.

Discography:

1999 „Actually it`s no punkrock anymore, but the chicks fucking` love us....SO WHAT?!“

2003 „rent a soul“

2018 „superyeah“
